### TARGET AUDIENCE:

The American Society for Adolescent Psychiatry Annual Meeting is designed for psychiatrists, psychologists, social workers, group therapists, family therapists, nurses, adolescent medicine physicians, educational specialists, juvenile justice professionals, students of any mental health discipline and any others who work with adolescents. The American Society for Adolescent Psychiatry meeting is open to members and non-members.

### EDUCATIONAL OBJECTIVES:

At the conclusion of this meeting, the participants should be able to:

1. Discuss medico-legal aspects governing psychiatric treatment of adolescents.
2. Describe the use of medication in the treatment of adolescent psychopathology.
3. Describe addiction medicine, relevant to an adolescent population and to utilize several addiction specific treatment modalities.
4. Demonstrate evaluation, intervention, and treatment of traumatized adolescents in both the home and school settings.
